MOCCAMASTER

KB 742 CLUBLINE

An excellent coffeemaker for those who want to prepare two jugs of coffee after each other or coffee on the side and tea on the opposite side.

- * Non scratch wipe down finish with aluminium construction available in chromium, gold, cream, white and silver with black, brown or white trimmings.
- * Easy to clean 1,25 ltr. jugs with wide necks and removable lids, so designed that the coffee goes straight to the bottom of the jug eliminating the need to stir before serving.
- * 2-step adjustable filterholders with dripstop.
- * Automatic descaling with illuminated warning light.
- * The KB 742 is a product made of recyclable and non-toxic materials and adds to the protection of the environment in both product and production methods and last but not least by its long-long life and good aftersales service.
- * Teaset available as an optional extra.
