

MOCCA SERVER

MOCCAMASTER

CLUBLINE MOCCASERVER

A special economy design for pubs, clubs and restaurants.

- * Non scratch wipe down finish with aluminium construction available in chromium, black, gold or white with brown or black trimmings.
- * Two easy-to-clean 3 pint jugs with wide necks and removable lids, so designed that the coffee goes straight to the bottom of the jug eliminating the need to stir before serving.
- * Automatic booster on bottom hotplate to eliminate the effect of a cold jug
- * Standard fluted filter papers.
- * 5 minute brew time.
- * The Moccaserver is a product made of recycable and non-toxic materials and adds to the protection of the environment in both product and production methods and last but not least by its long-long life and good aftersales service.
- * Automatic descaling with illuminated warning light.

Original "Smitdesign", hand-built by Technivorm of Amerongen, The Netherlands.
